

PSA: Final call for IPv4

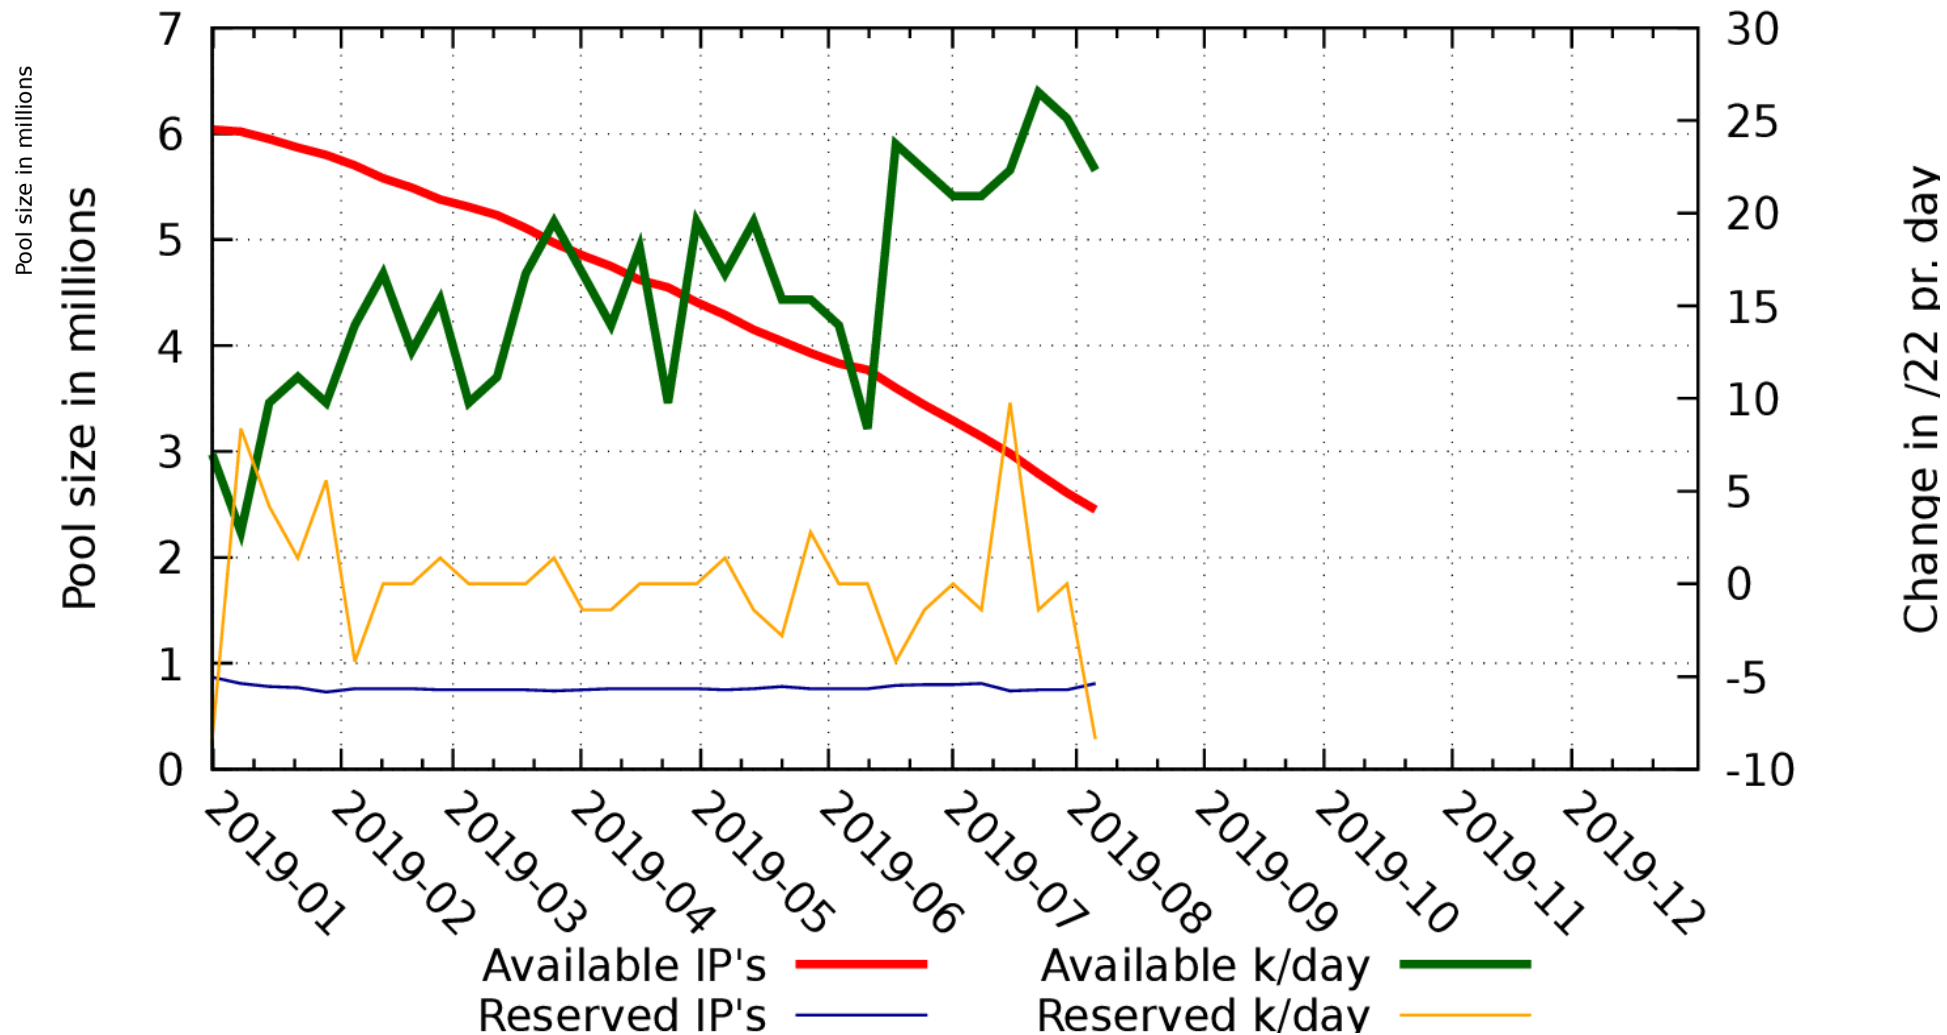

IPv4 Available pool (RIPE)

IPv4 Available pool (RIPE)

IPv4 Available pool (RIPE)

2.4 million IP's to go:

- One /22 per LIR from available pool (~1450)**
- One /22 per LIR from reserved pool the /16 for unforeseen circumstances (64)**
- One /22 equivalent from /23 and /24s to make one /22 (~950)**
- One /24 per new LIR based on a waiting list (2019-02, RIPE-725)**
